YOUNG LIFE RWANDA

MICKI SEGER

REACHING A WORLD OF KIDS

Young Life is following a movement of the Holy Spirit to impact a world of kids. By 2016, Young Life will double its reach, equipping 80,000 leaders in 8,000 ministry areas to meet two million kids every year — all for the purpose of introducing them to Jesus Christ and helping them grow in their faith. Young Life was made for them.

What is Young Life?

Contact Work

Because kids don't care how much you know till they know how much you care, Young Life leaders show they care by going where kids are, meeting them as they are, believing in who they can be. Within Young Life we call the persistent going out into the world of kids "contact work." But kids just call it friendship.

Club

We like to think of club as a "party with a purpose." It's controlled chaos that's almost impossible to describe, but kids know it when they see it. And before the party ends, we share a simple message about God's love for them. After all, that's what the celebration is all about.

Camp

Kids consistently tell us that Young Life camp is the best week of their lives. How else would you describe a week where deep relationships are forged in the midst of mind-boggling fun and you hear the greatest love story ever told?

Campaigners

Campaigners is a weekly gathering for kids who wish to learn more or grow in their faith through study, service and leadership. We're with kids for the long haul to help them take the first steps of faith with unconditional love. Along the way, we encourage kids to celebrate their faith through participation in a local congregation.

My Story ...

I grew up in a church-going family, but first understood the love of Christ through Young Life when I was in high school. Since then, the ministry of Young Life has been ever present in guiding me to be shaped and molded by the Lord. After being a volunteer Young Life leader all throughout college, I recognized God's hand in giving me the desire to pursue this ministry further. I thought that pursuit was interrupted when God made it clear that I was to go to Rwanda to teach art at Kigali International Community School. However, that was His way of bringing me to Kigali to reveal to me the great need for a ministry such as Young Life among the community of international students. I have been in Kigali for two years and have been leading a team of Young Life volunteer leaders while simultaneously teaching K-12 art. All year I have been asking the Lord, "What next?" in reference to my role with Young Life and the school. God spoke, all too clearly, that I am to focus my time and energy in recruiting and training volunteer leaders to obtain a sustainable Young Life ministry in Kigali.

Vision ... With the ever-changing, transient community present in Kigali, international students yearn for longevity and stability in relationships. The vision is to motivate, train, and equip volunteer adult and student Young Life leaders to share their lives with the international student community in Kigali in order to give them the opportunity to start the most life-giving and lasting relationship with Jesus Christ.
